Mission

For over two decades former Hollywood actress, Tina Griffin, has built a reputation as being a leading media expert. She's traveled globally for the past 21 years revealing how the entertainment industry glamorizes harmful behaviors without showing the consequences and how these messages are eroding the foundational development of today's youth. Currently, we are expanding the reach beyond live speaking events via multiple TV/Radio platforms.

Our mission is to help parents safely navigate today's pop culture, by providing a healthy media diet in the home. Our goal is to raise future counter-culture warriors who will lead our great nation.

TESTIMONIES & REVIEWS

*VISIT [COUNTERCULTUREMOM.COM/REVIEWS](https://counterculturemom.com/reviews) FOR MORE TESTIMONIES!

"We have been privileged to book the most well known Christian communicators in the world. One person who made quite an impact on our audiences and staff was Tina Griffin. She held an audience of 2,000+ college students riveted as she shared her life story and the truth of God's Word in compelling fashion. In our opinion, she is a world class communicator and exhibits Christ-likeness every step of the way."

- Alex McFarland / Apologist and Broadcaster

"Speaking from her experience, Tina's unvarnished message is pure, true and passionate. She inspires me."

- Sam Sorbo / Actress, Author, Radio Talk Show Host

"The Counter Culture Mom is an outstanding resource for families looking to protect their children from inappropriate Hollywood fare. She is a powerful combination of energy, commitment and faith!"

- Greg Gudorf / CEO, Pure Flix Digital

"Tina Marie is the bomb! She is talking about the real issues - the ones most people side step around. She is hitting them straight on and from a Biblical point of view. We can continue having pizza parties for our youth or we can bring in people like Tina Marie to help set students free from the strongholds that are keeping them from having a world-changing relationship with God."

- Jeff Deyo / Former member of Sonicflood, National Recording Artist

"Tina Marie rocks! She talks about the tough issues in our culture today, which [others] will not discuss. Get your seatbelt on, sit back, and get ready for the ride of your life!"

- Steve Von Hoene / Retired Cincinnati Reds' pitcher

"Finally someone to help me stay alert to the damaging stuff media puts out! The biggest value is that I can KNOW before my kids KNOW and that Tina will do the work for me and send it to me. One more thing I don't have to worry about! Thank you for helping us protect our children. I will be recommending the Counter Culture Mom App to all the moms I mentor."

- Mona Corwin / Mom Mentor, Balanced Mom Life

"You had such an AWESOME message for the students in the Norway-Vulcan School District. The kids are still buzzing about your visit here - you made quite an impact!"

- Andy / Principal

"Your message yesterday was one that needs to be heard at every school in this country AND by every PARENT (and grandparent) in this country! THANK YOU for what you are doing. God has given you a message to spread and the gift of the perfect skills to spread that message."

- Shannon / Concerned Parent

"When I came home, it really hit me with everything you said about all the music. After being convicted for about 36 hours, I broke down and destroyed 135 CDs that were nothing but garbage! Thanks for that! I never really realized how much that did influence my life! I will never forget you."

- Katie / Teen

"I am a 13 year old boy from Bozeman. I saw your seminar & I was blown away. Thank you for opening a new life of music for me!"

- Andrew / Student

"Dude, your speech at Don't Get Punk'd in Pigeon Forge was wicked awesome!!!! I was so psyched up after! Most speakers aren't that REAL with us... But you had the facts which was so cool."

- Adriane / Student
