

COUNTER CULTURE MINISTRIES

THANK YOU FOR YOUR PRAYERS AND PARTNERSHIP! **We just hit 500 EPISODES!**

MERRY CHRISTMAS & HAPPY NEW YEAR!

from the Counter Culture Ministries team

GOD IS ON THE MOVE!

This Christmas season, we want you to know how deeply grateful we are for your prayers and financial support! Never lose heart, keep living out your purpose, and witnessing to the lost, as the Lord's return draws near. As I say in many of our episodes - Christ is right around the corner!

Your partnership has given us the opportunity to share truth to so many people around the globe in 2023! **You are the essential help that Jesus has provided** to make a way for us to carry out the calling He placed on our team. You have helped us expand our **show's potential reach to 700 million homes each week**, encouraging overwhelmed parents to stay in the fight, depressed teens to discover their God-given mission, and even helped encourage many moms to choose life for their baby!

I had the opportunity to speak at approximately a dozen events this past year including a family conference north of Dallas to a Bible convention in Iowa, bringing all four kids to them all. We spent quality time while on the long road trips and learned more about the Lord at these events together. Our CCM team also produced another 200 episodes in the last 12 months. A mile marker this year was shooting the 500th episode in November and celebrating with family and friends. Several guests from the show came to the party and we had over 100 books and other resources to give to the attendees.

Our prayer is to reach many more people this upcoming year with God's truth until He returns. We are amazed at how the Lord is using this ministry to open the eyes of the blind and equipping Christians to live out their faith - growing His Kingdom as a result. Educating and equipping Christians to take a stand to protect our children and this great nation, is why we produce this program and speak to teens and parents from coast to coast. **Thank you for funding this mission!**

RESPONSE

"I have recently been obsessed with watching your show! There is such a need for this type of ministry, and I am so enjoying yours!" - Katie

"I have nothing but love and praise for Tina and her team. Due to the show and Tina expressing my need, \$3,000 was raised to cover my much needed wheelchair! This ministry is dedicated to helping those like myself whom would otherwise not have a voice." - Danielle

"We had such an encouraging time at the CHEW retreat! I attended the Hollywood Exposed session for parents and teens. Everything Tina shared was truth about what the culture is doing to our kids. Please, please have her come again." - Aloha

"My daughter was under your teaching last night at Living Word in Mesa, AZ and loved it! She came home excited to tell me all you spoke of. It confirmed the things to her I've already been showing her. Thank you!" - Parent from Kingdom Youth Conference

"Tina's teachings touch the heart, and make you question your personal standards. She's down to earth, approachable, and an exciting speaker to listen to!" - Dene
