

The TIDAL WAVE hit...

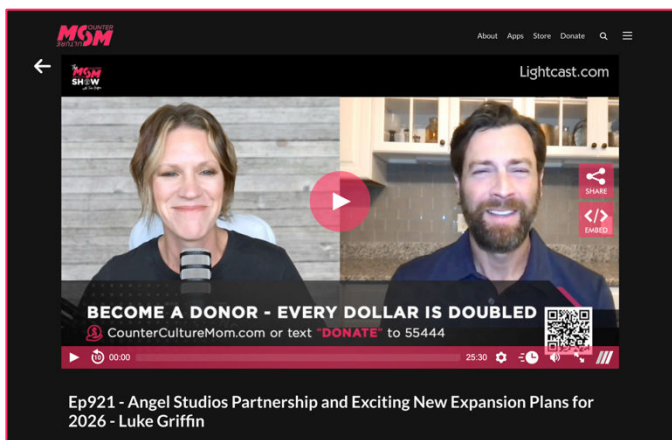

- 900th episode shot
- expanded on 13 new TV networks
- 10 million homes+ reached per month

All in 2025...and YOU were the reason we rode the wave...

Your partnership and prayers have allowed us to share God's truth with nations around the globe through [The Counter Culture Mom Show](#) over the last 4.5 years. Your gift is from a recent featured guest on the show. Cynthia, a viewer of our program, recently emailed us the following, *"I appreciate you bringing the truth of what's going on in the world. Information we don't get anywhere else. The content is so deep and sometimes hard to hear, but as children of God we are called to be watchmen on the wall. Thank you for your years of dedicated service."*

Because of your generosity, we're reaching millions of families each month - encouraging overwhelmed parents to stay the course, helping depressed teens discover purpose, and inspiring many moms to choose life for their babies.

This year, our CCM team produced over 200 episodes covering topics such as Anxiety, Communism, Terrorism, Discipleship, Courage, Trauma, AI, Missions, Special Needs, Forgiveness, Geoengineering, Jihad, Health, and more. A major milestone was releasing our 900th episode in October on the dangers of Nanotechnology with [world-renowned Dr. Carrie Madej](#). **Our 1000th episode, coincidentally, will air on Good Friday 2026!** (Scan QR code to watch the show)

We experienced tremendous growth since June! Our weekend program airing on American Family Radio (AFR) reaches 4 million+ listeners per month on [179 stations nationwide](#). We've received handwritten letters from prison inmates impacted by the show, who have even placed their faith in Christ as a result, **because of your support!**

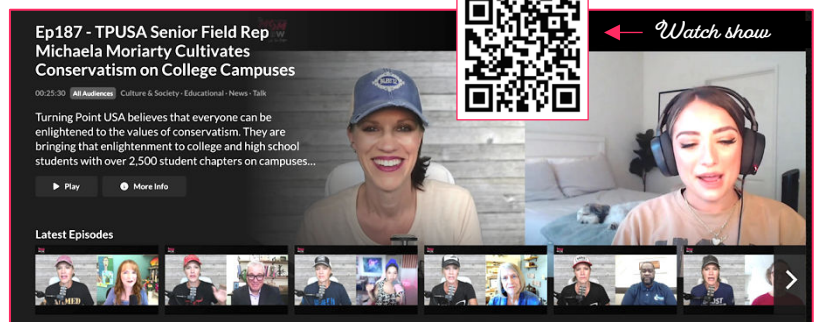

In June, our team uploaded all our episodes on [Lightcast](#) (scan QR code above) giving us a **secure, censorship-proof platform**, enabling our audience to easily find a topic, guest, or resource in seconds, through our categorized channels - **because of your**

partnership. Another tidal wave that hit this year - our [Instagram exploded](#)! Many people are searching for resources to help navigate this backwards culture. Hence, the growth. Luke and I shared our recent partnership with *Angel Studios* and [our expansion plan](#) for 2026 in episode 921 (scan QR code to watch). We are also in the process of loading our show on TLN Media and FaithChannel, with hopes of launching on EpochTV and CHD.TV in the near future. Our nonprofit board now includes 11 members bringing diverse skills and wisdom in the perfect timing with our major expansion needs.

"Please accept my highest recommendation to engage Tina Marie for her "HOLLYWOOD EXPOSED" youth talk on the entertainment media and its impact on our youth, our families and our world. Perhaps our highest endorsement – we can't wait to have her back!"

Every dollar you give, helps us bring experts on the program and distribute their wisdom across 45 networks each week, **reaching 10 million homes** a month on TV, radio, and podcast - equipping parents and grandparents to navigate today's culture and train warriors to be ready for battle. Many of our guests have seen their audiences expand, books sell out, and speaking opportunities grow, after appearing on the show. In turn, our audience is being helped by top experts in the field of interest that we address each week on the program. ***Your support amplifies their vital message and saves souls.***

The Griffin gang completed a 5-event speaking tour this summer covering ground from Michigan to South Carolina, including 6 more functions from teen camps, parent events, church services, and a local chamber of commerce meeting. In April, I had the opportunity to appear live on **The Jim Bakker Show** in Missouri for a 3 episode series addressing the social media influence on our children. Recognizing red flags regarding suicide, cutting, sex trafficking - exposing the celebrities endorsing these behaviors - giving positive entertainment options, homeschooling tips, etc. - were the hot topics discussed. ***This outreach is possible because of your help.***

To maximize the reach of this ministry in 2026: produce more programs, cover airtime cost, support our staff of 15, and expand from a weekend to a daily radio program on AFR - ALL to reach more families with life-saving, biblically based content - **we are seeking \$360,000 by year's end.** *Counter Culture Ministries is a 501(c)(3) and all donations are tax-deductible.*

Our team is grateful for how the Lord is using this ministry to open blind eyes, strengthen believers, and empower families to stand firm. Thank you for standing with us! Learn more about our mission on **Linktree**.

Let's Do Great Things Together!

"We have been privileged to book the most well known Christian communicators in the world. One person who made quite an impact on our audiences and staff was Tina Griffin. She held an audience of 2,000+ college students riveted as she shared her life story and the truth of God's Word in compelling fashion. In our opinion, she is a world class communicator and exhibits Christ-likeness every step of the way."
